

Guidelines for joining the interview through google meet

➤ How to join a Google Meet from the Meet website:

- In a web browser, enter <https://meet.google.com>.

- Select Join or start a meeting.

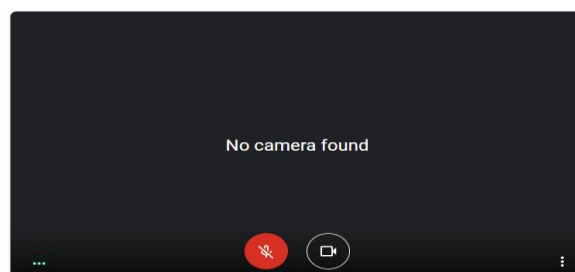

OR

- Enter the meeting code and select Continue.

*The “meeting code” is the string of letters at the end of the meeting link. You don't have to enter the hyphens. For instance, the meeting code for this sample meeting (meet.google.com/ray-jsfd-kdu) is rayjsfdkdu.

- Sign in through your gmail ID

 Google Meet

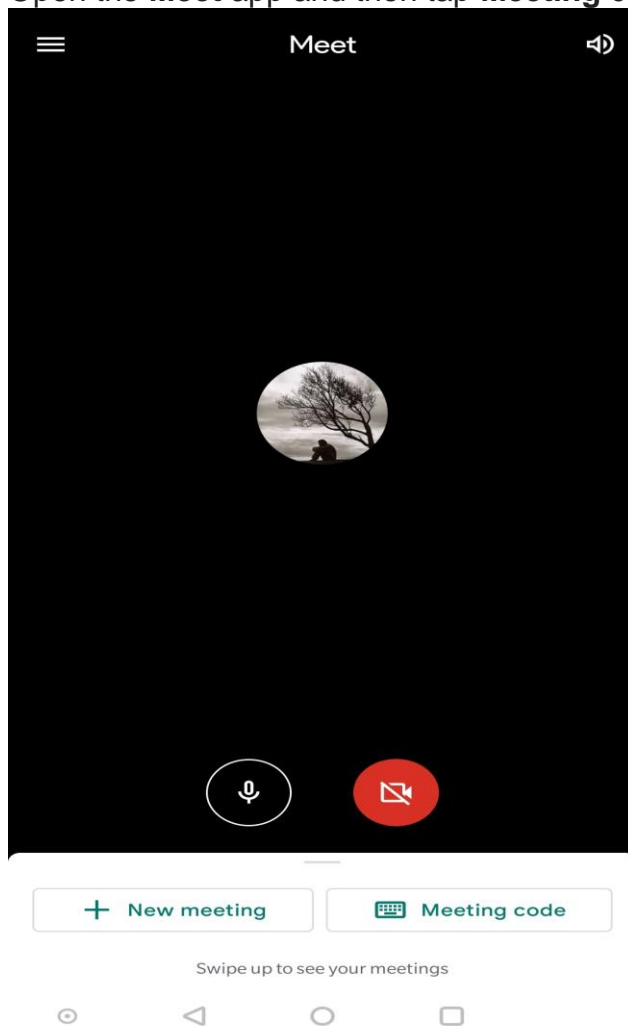

Ready to join?

[Ask to join](#)

- Click [Ask to Join](#) or [Join now](#).

➤ How to join a Google Meet from Mobile Phone

- Download and Install the google meet app from Goole play Store/Apple store/Microsoft store
- Open the **Meet** app and then tap **Meeting** code.

- Sign In in case of non-android users.
- Enter the **meeting** code or nickname.
*The “meeting code” is the string of letters at the end of the meeting link. You don't have to enter the hyphens. For instance, the meeting code for this sample meeting (meet.google.com/ray-jsfd-kdu) is rayjsfdkdu.
- Tap **Join meeting**.

NOTE: Check the mic and video camera button at bottom of screen while on meeting to unmute and share your video.
