

Report on Education/ Industrial exposure visit of B.Sc, forestry students 4th year students from Forestry College and Research Institute, Hyderabad visited Himalayan Forest Research Institute (HFRI), Shimla on 25th November 2022

As part of an educational tour, twenty B.Sc, forestry students of Forestry College and Research Institute, Hyderabad, visited the Himalayan Forest Research Institute (HFRI), Shimla on 25th November 2022. At the outset, Dr Joginder Chauhan welcomed the students and faculty members. After that, Mrs. Savita Kumari Baniyal, CTO gave a detailed presentation of HFRI's activities. Dr. Sandeep Sharma, Director; Dr. R.K. Verma, Head of Office; Dr. Jagdish Singh, Head Extension; Dr. Ranjeet Kumar, Head FE&CC; Dr. Pawan Kumar, Head, Forest Protection and Dr. Joginder Singh, CTO were present during the interactive session and answered all the queries of the students. They were also taken to Technological Demonstration Centre (TDC) and were apprised about the technologies developed by the Institute. The students were quite enthusiastic and keen to learn about the Himalayan ecology. A representative of students thanked the Director, Scientists, and Officers of the Institute for giving them valuable information about the Research and Extension activities of the Institute.
