

VISIT BY LAKEHEAD UNIVERSITY CANADA

Students of Forest Science and Environment Management, from the Faculty of Natural Resources Management **LAKEHEAD UNIVERSITY** 955 Oliver Road, Thunder Bay, Ontario, Canada, under the leadership of Prof Chander Shahi, visited the upcoming Western Himalayan Temperate Arboretum at Potters Hill, near Shimla on 12th May, 2013. These students are here in India on visit to Dr YS Parmar University of Horticulture and Forestry, Nauni- Solan under Student Exchange Programme.

The students were taken around the WHTA facility by Dr. Vaneet Jishtu, Scientist Incharge for the arboretum, who explained the various activities being undertaken for its development.
